THE THEME

FORWARD TO THE SECOND EDITION

"Our Society then entered a fearsome and exciting adolescent period. The test that it faced was this: Could these large numbers of erstwhile erratic alcoholics successfully meet and work together? Would there be quarrels over membership, leadership, and money? Would there be strivings for power and prestige? Would there be schisms which would split A.A. apart? Soon A.A. was beset by these very problems on every side and in every group. But out of this frightening and at first disrupting experience the conviction grew that A.A.'s had to hang together or die separately. We had to unify our Fellowship or pass off the scene."

(Texas State Conference of Young People in Alcoholics Anonymous)
(As adapted from ICYPAA's F,A,P's)
Facts, Aims, and Purposes

Revised January 21, 2005:

Young People's Groups in Alcoholics Anonymous began appearing around 1945 in Los Angeles, Cleveland, and Philadelphia, and now they can be found all across North America. In 1958, a meeting of young AA's from across the U.S. and Canada started what is now the International Conference of Young People in Alcoholics Anonymous (ICYPAA), and it has met on an annual basis ever since. At the 1960 AA Convention, Bill W. noted that the age of new members was much lower than when he and Dr. Bob founded AA 25 years earlier. In a letter to ICYPAA dated June 15, 1969, Bill wrote "... in recent years I have found nothing for greater inspiration than the knowledge that A.A. of tomorrow will be safe, and certainly magnificent, in the keeping of you who are the younger generation of A.A. today."

TXSCYPAA was founded in 1980 for the purpose of providing a setting for an annual celebration of sobriety among young people in AA. Since its inception, a growing group of people, who at first would not consider themselves as "young people," has become regular attendees. The number of young people suffering from alcoholism who turn to AA for help is growing, and TXSCYPAA helps to carry AA's message of recovery to alcoholics of all ages. This meeting provides an opportunity for young AA's from all over the state to come together and share their experience, strength, and hope as members of Alcoholics Anonymous. AA members who attend an TXSCYPAA return home better prepared to receive young people who come to AA looking for a better way of life.

TXSCYPAA provides visible evidence that large numbers of young people are achieving a lasting and comfortable sobriety in Alcoholics Anonymous. The three legacies of AA -- Recovery, Unity, and Service -- are the backbone of TXSCYPAA, just as they are throughout AA. TXSCYPAA has a long history as an established AA conference. It regularly contributes to the AA General Service Office, as well as to the Area Service Structure in the local areas where it is held. TXSCYPAA and its attendees are also committed to reaching out to the newcomer, and to involvement in every other facet of AA service. TXSCYPAA participants can often be found serving at the national, state, area, and group levels. Newcomers are shown, by people their own age, that using AA principles in their daily lives and getting involved in AA service can have a significant impact on a lasting and comfortable sobriety.
